### Lipoedema Sufferer Testimonial

"After myself and my mother were diagnosed with Lipoedema last year we found huge benefits from receiving regular manual lymphatic drainage treatments. As good as that is, financially it just isn't possible for us to go weekly. So when the Hivamat was recommended to us a few months ago by a well-respected MLD therapist (we hadn't heard about Deep Oscillation therapy) we wanted to find out more. We were given a demonstration of her Hivamat, and were so impressed that Mum decided to take the chance and invest in a personal unit for us to both use. We can't begin to say how much of a difference it has made - to come home, use the unit for 20 minutes, and for it to take the heavy, fluidy, feeling out of our legs and arms and more importantly to relieve any pain. Thanks to the Hivamat, we have been able to halve the number of MLD massages we go for. Although it seems so gentle when using it, the massage helps to move a lot of fluid out of limbs. We would have no hesitation in recommending the Hivamat to anyone, especially other sufferers of Lipoedema" **Louise, United Kingdom**
